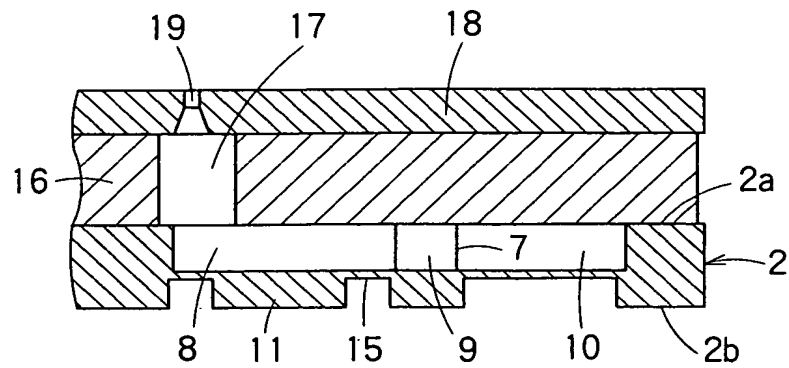

FIG. 10

Fig. 10 is a cross-sectional view of a device. It features a central vertical component 109. To its right, there are four horizontal components arranged vertically: 107, 108, 121, and 110. Each horizontal component has a circular feature in its center. Section lines B-B are indicated at the top and bottom of the device, with arrows pointing to the right.
